

Undergraduate Course Overview

Bachelor of Information Technology (CRICOS 098239M) (T221 commencing or before)

This course planner assumes no Recognition of Prior Learning (RPL) has been approved and all subjects will be passed. Should either of these circumstances change, the course planner will need to be carefully planned to take into account pre-requisite subjects and available timeframes.

The subjects in shaded boxes cannot be changed; the remaining subjects may be swapped to suit individual situations, provided pre-requisites have been completed. Pre-requisites are shown in brackets.

First trimester
BUS100 Professional Communication Skills
ICT100 Foundations of Information Systems
ICT101 Discrete Mathematics for IT
ICT102 Introduction to Programming

Second trimester
ICT103 Systems Analysis and Design (ICT100)
ICT104 Program Design and Development (ICT102)
