

KOI Other Fees and Charges

Below are non-tuition fees and charges that you may be liable to pay during your studies at KOI. These fees apply to all students except where indicated and are correct as at 16 January 2023. Other fees and charges are subject to change.

The Department of Home Affairs requires all international students (and their dependents) coming to Australia to study under a student visa to have Overseas Student Health Cover (OSHC) for duration of their student visas. Failure to have continuous cover could result in a student visa being cancelled.

International Students may organise their own OSHC, or can ask KOI to help arrange visa-length cover with our preferred OSHC provider Australian Health Management (AHM)
