Census Date – The Census date is for Domestic Students. The date is the official deadline for finalising enrolment and fees for each teaching session, the last day that electronic application can be submitted for FEE-HELP and the last day to withdraw without incurring a FEE-HELP debt. It is the last day to apply for a refund of tuition fees if a domestic student does not have FEE-HELP.

Certification of Completion – The **Certification of Completion** date is the date on which the KOI Academic Board officially approves and finalises all completions for the trimester. Unfinalised deferred exams, supplementary exams or tasks and Review of Grade applications, when approved as passes or changes, have the same completion date as if completed with the main cohort.
