TUITION FEES (in Australian dollars) (Current for 2026)
(Fees are indicative and should be used as a guide only)

INTAKES King's Own Institute (KOI) has 3 intakes per year:

- Trimester 1 – March intake – Autumn/Winter
- Trimester 2 – July intake – Winter/Spring
- Trimester 3 – November intake – Summer

Students may commence study in any trimester. Please see the KOI website www.koi.edu.au or contact KOI Marketing marketing@koi.edu.au for specific trimester commencement dates.

TUITION FEES

The following is a list of all subjects (undergraduate and postgraduate) available for study across all courses at King's Own Institute (KOI) in 2026 (as at 02 November 2026) – KOI reserves the right to vary fees as permitted under the *Higher Education Support Act 2003*) and their Equivalent Full Time Study Load (EFTSL) Value per subject.

Trimester subject availability is determined before enrolments each trimester. KOI cannot guarantee all subjects will be available for all trimesters – availability is dependent on enrolment expectations and whether the subject is core or elective.

The KOI *Subject Tuition Fees* table may be used as a guide to calculate your trimester fees. Please see the Course and Subject Descriptions under the '*Courses*' Tab at www.koi.edu.au to see which subjects are relevant to your course.

The EFTSL Value per subject is calculated as a proportion of a normal full-time study load (EFTSL= 1) of 8 subjects per calendar year, i.e. the EFTSL Value of a single weight subject is 1/8 = 0.125, a double weight subject is 1/8 x 2 = 0.250.

For full course fees, please see the *Current Course Tuition Fees* available at http://koi.edu.au/wp/future- students/fees-payment/.
